# **THE FOUNDATION OF LIVING WATER CHRISTIAN SCHOOL**

## **INTRODUCTION:**

Welcome to Living Water Christian School! As a Christ-centered, college-preparatory school, it is our goal to partner with parents/guardians in teaching and training a generation of young people to have a mature faith in Jesus, a love for learning, the ability to communicate effectively, the courage to lead and a heart to serve. In this Parent/Student Handbook are the policies that will guide our partnership. These statements are not intended to be restrictive and legalistic, but rather enlightening and liberating. By reading, understanding and following these guidelines, we will have the joy that comes from living in a supportive community of faith whose members have a common purpose.

## **SCHOOL FOUNDATION**

Founded: August 1989

School Colors: Maroon, Black and Grey.

Mascot: Warrior

## **HISTORY**

Living Water Christian School is a ministry that offers students a college-preparatory education from a Christian worldview. Founded in 1989, LWCS started as a primary school enrolling grades K5-8<sup>th</sup> grade. LWCS added grades 9-12 in 2006. In 2009, we added our K4 program followed by our K3 program in 2014.

## **MISSION STATEMENT**

Living Water Christian School leads students to Connect with Christ, Grow in Academics and Serve with Humility.

## **VISION STATEMENT**

Our vision is that LWCS students will acquire knowledge and wisdom with a Biblical world view as demonstrated through service and leadership in academics, athletics and faith to make a difference in their community.

## **PHILOSOPHY**

The fear of the Lord is the beginning of wisdom. At the heart of the Christian philosophy of education is the acknowledgement that God created all things and that they exist by His power and for His purpose. Only through Christ can there be a unity which gives meaning to all parts of life. An education which fails to acknowledge God and His work will always be woefully inadequate and incomplete.

Living Water Christian School endeavors to give a completely God-centered orientation of life to each student. It strives to help produce the mind of Christ in its students and to establish a well-grounded, Biblical world view. Academics are not a means of self-promotion or pride but a way of increasing one's awareness of God and being useful in His kingdom. Christians should excel in all subject areas because they put Christ first and see their work as unto the Lord and not unto men.

The ultimate responsibility of educating a child has been given to the parents. Living Water Christian School operates as an extension and partner of the home and church in training children to be Godly and focuses on developing the whole child: spiritually, academically, athletically, creatively, and socially.

- **Spiritually** – LWCS students will be bold and courageous in their faith. They will desire to share and defend their beliefs using sound Biblical knowledge and a daily desire to apply the Word of God to their lives. They are committed to a lifestyle of passionately serving others.
- **Academically** – LWCS students have the critical thinking and problem-solving skills to be independent learners. They are college-ready, take ownership of their learning experience, and value life-long learning with a Biblical worldview.
- **Athletically** – LWCS students understand that athletics exist for them to glorify God through their athletic abilities. They have mental toughness and a sound work ethic. The students value the opportunity to represent their school in a meaningful way that is greater than one individual.
- **Creatively** – LWCS students discover and develop their unique God-given abilities. They strive to be open to a variety of aesthetic experiences and continue to develop a wide range of imaginative sensibilities using their gifts and talents.
- **Socially** – LWCS students have confidence in seeing themselves the way Christ sees them, and that confidence projects to the people in their sphere of influence. They are committed to serving Christ by serving others in their personal life, community, and around the world.

# **ATHLETE/PARENT EXPECTATIONS**

## **ACADEMIC EXPECTATIONS**

- Those who wish to be a part of the Warrior Athletic Department must first and foremost remain in good academic standing. Good academic standing is defined as passing all courses with the minimum of a 60% at the end of every grading period. This will allow athletes to remain on the Home Game Roster. The Athletic Director will check all athletes' grades, as well as conduct conferences and distribute consequences as necessary.

## **ACADEMIC PROBATION**

- The Athletic Director will conduct grade checks at every Interim Report and Report Card and notify coaches and athletes of any who are now on Academic Probation. The following will be implemented if a 60% is not maintained in every class.
  - @ Interims: Weekly grade check forms filled out, for any course where the student has below a 60%, which need to be submitted to the Athletic Director
  - @ Report Cards: Mandatory weekly tutoring and weekly grade check forms filled out, for any course where the student has below a 60%, which need to be submitted to the Athletic Director; 1 game suspension per failed course
    - 6<sup>TH</sup>-8<sup>TH</sup> grade students failing 4 or more classes will automatically be removed from any athletic team
    - 9<sup>TH</sup>-12<sup>TH</sup> grade students failing 3 or more classes will automatically be removed from any athletic team

## **AFTER-CARE**

- In the event that practice does not begin immediately following dismissal, and you choose not to pick up your student, athletes will report to after-care. On days of practices and games, any time spent in after-care prior to either event beginning will not result in a bill. On days that there is not practice or a game, or you are contacted prior to 10:00 AM that the practice or game previously scheduled has been canceled, you will be billed for any time your student spends in after-care.

## **ATTENDANCE: PRACTICES/GAMES**

- Students are expected to attend all practices and games. If an athlete is unable to attend a practice or a game, they must notify their coach(es) of the absence.
- Students must be picked up within 5 minutes of the end of practice, home games, and the return from away games. Habitual tardiness (3+) in picking up your student athlete could result in loss of game time, suspension from a game, or temporary suspension from practices and games.
  - Parents/Guardians are to park in the main parking lot in front of the MS/HS building for pick-up/drop-off. Parents/Guardians will not be allowed to pick-up/drop-off students at the gym doors.
  - If after-care is still open and you have not picked up your athlete within 5 minutes of the end of practice, your student will go to after-care and you will be billed for time spent in after-care.
- If an athlete is unable to participate due to medical reasons, a doctor's note must be provided to both the athletic department and the coach(es) detailing the injury or situation, expected return of the athlete, and any limitations there may be. Not attending practices due to medical reasons will be at the discretion of the coach; however, athletes are still expected to attend all games.
- Additionally, in order to allow the coaches and athletes the opportunity to develop as a team, all practices are closed to parents, fans, and students not on an in-season athletic team.

## **ATTENDANCE: SCHOOL DAY**

- In order to participate in practices or games, athletes must be present for 50% of the school day.
  - **Regular School Day**= 3 hours and 20 minutes
  - **2-Hour Delay**= 2 hours and 20 minutes
  - **Early Release**= 2 hours
  - **Special Schedules**= If release time is different due to an athletic event, or other extracurricular activity, student must be here 50% of their “scheduled school day.” For example, if athletes are to depart at 12:00 pm, students must be at school for 2 out of the 4 hours.

## **BEHAVIOR EXPECTATIONS**

- Student-athletes are expected to behave as leaders within the school, and to meet the behavior expectations set by the administration, teachers, and coaches during athletic practices and events. Aside from the issuance of demerits and consequences, by administration, the following are additional consequences that will be issued by the Athletic Director and coaches:
  - Half Game Suspension: for any Level 3 behavior
  - Full Game Suspension: for any Level 4 behavior
  - 1-week Suspension from team: for any Level 5 behavior (this does not include the time served for OSS)
  - Removal from team: 2 Level 5 behaviors, or a Level 6 behavior
- Multiple Level 3 or 4 behaviors can lead to higher level consequences. This will be discussed and decided by the Athletic Director and Administrator.
- Suspension from athletic events does not exempt the athlete from attending practices and games. Attendance is still mandatory as it is imperative that they continue to support their teammates.

## **BOOSTERS/SPORTS FEES**

- All athletes are required to pay a \$150 fee per sport they elect to participate in.
- All athletes are encouraged to acquire at least one sponsor per year (not per sport). By doing so, this will reduce all sports fees for that athlete to \$100, regardless of the number of sports participated in.
- Additional sponsorships acquired by an athlete will result in a one-time reduction to the athlete’s sports fee(s). This reduction will be applied to the current sport or first sport the athlete participates in. For families with multiple athletes, the discount will only be applied to one athlete.
  - **Gold Sponsor**: \$100
  - **Silver Sponsor**: \$50
  - **Bronze Sponsor**: \$25

## **COMMUNICATION**

- All communication regarding updated information/reminders for practices will be sent via Remind101. This is a free app, that upon joining a specific group you will begin to receive text messages for the coaches or other staff members. This is not to be used for 2-way communication. If you need to contact a coach for any reason, please e-mail them or call to schedule a conference. Below is the Remind groups for each team.
  - **Volleyball**: Text @lwcsvolley to 81010
  - **Boys Soccer**: Text @lwboyssocce to 81010

Conferences with coaches will never be held prior to or following a practice or game. Conferences are to be requested via e-mail and will never be scheduled on a game day. If you have a concern that is not able to be resolved by the coach, or you have a concern with the coach/coaching staff themselves, you are expected to conference with the Athletic Director. The Athletic Director is responsible for handling such matters and will communicate with administration as necessary.

## **LETTERING/PINS/AWARDS**

- The first year an athlete participates in athletics they will receive one letter, and a pin for each sport played. Any additional years an athlete participates they will receive a pin per sport, and captains will also receive a captain's pin.
- Additional athletic awards include: Most Improved, Most Valuable Player, and the Coaches Award. Most Improved and Most Valuable Player will be voted on by the athletes and the Coaches Award will be selected by the coach.
- To be eligible for any awards, the athlete must have remained on the team for the entirety of the season. Removal from a team by the Coach, Parents, or Student themselves will automatically make them ineligible for a letter or pin for that sport.

## **PRE-SEASON MEETING**

- Pre-Season meetings will be scheduled the same day as the first mandatory practice (or within 2-weeks of the first practice), for all in-season sports. Attendance by 1 parent/guardian and the participating athlete is mandatory.

## **TRAVEL ROSTER ELIGIBILITY**

- All Soccer, Volleyball, and Basketball Teams will select athletes to be on their Travel Rosters. These rosters can change throughout the season and are limited to:
  - Soccer= 15 athletes
  - Volleyball= 10 athletes
    - Crossover athletes do count as a player on each roster. For example, if an athlete plays JV and Varsity but is only listed on the JV roster, they will not be allowed to play during the Varsity game.
  - Basketball= 10 athletes
    - Crossover athletes do count as a player on each roster. For example, if an athlete plays JV and Varsity but is only listed on the JV roster, they will not be allowed to play during the Varsity game.
- To be eligible for the travel roster students must maintain a 60% at Interim Reports and a 65% at Report Cards in ALL classes. Additionally, athletes may not receive more than 10 demerits/grading period. Other factors for the selection of travel rosters will be determined by individual coaches based on skill, sportsmanship, and practice/game attendance, as well as communication in the event that a practice/game cannot be attended.

## **COACHES EXPECTATIONS**

### **BEHAVIOR**

- As coaches, you have the opportunity to impact student's lives through not only your knowledge of the sport, but through your actions, words, and treatment of others. Therefore, it is imperative that you behave with integrity, humility, and respect at all times. Situations may arise that could cause coaches to become frustrated, or situations may occur that are intended to provoke a reaction; however, at no point should a coach ever yell at players, parents, etc. in a way in which can be deemed aggressive or berating, communicate threats in any nature, or use vulgar or

inappropriate language. Additionally, coaches should never provide anything outside of constructive criticism/correction to a player regarding technique or skill.

- Coaches should always encourage and exhibit sportsmanship. Therefore, as coaches it is imperative that you refrain from making disrespectful or negative statements regarding other programs, schools, athletes, and/or coaches. Rivalries are a pivotal part of all athletics; however, we must refrain from making overly emotional or harsh statements and should encourage athletes and parents to refrain from this as well.
- Coaches are to constantly seek improvement in every player, and provide equal opportunities for athletes, whether new or veterans of the sport, to grow. You are expected to encourage your athletes through the struggles and difficulties that come with learning and growing, as well as set the standard of teamwork for all participants. Games are never won or lost by a single player, but it is up to you to instill the teamwork mentality within each of your athletes.

## **COMMUNICATION**

- Clear and open communication is expected to be maintained between Coaches and their athletes, the parents, the Middle/High School Office, and the Athletic Director. This includes practice and games schedules, release times for away games, and other information that can impact the athletic department and school day.

## **PRACTICES/GAMES**

- Practices are your opportunity to measure and extend growth in every athlete. As coaches, you are expected to be present, active, and engaged throughout your entire practice. At no point should coaches be sitting on the sidelines while athletes are running drills or conditioning. Coaches should be moving throughout the practice to assist athletes in individual and team-wide growth by offering praise, correction, and/or constructive criticism.
- You are responsible for clearly communicating and adhering to your practice schedule, and departures/returns from games. All athletes should be released from practice and picked up within 5 minutes of the scheduled end time, as well as upon your return from away games (if transportation has been provided). You are required to supervise your athletes during the pick-up process. You may not leave campus until all athletes (in which you coach) have been picked up or have been taken to after-care.
- Prior to departing campus, all equipment needs to be neatly returned to its proper place and the facilities need to be organized and free of trash, food, water bottles, and clothing. This includes the locker-rooms, bathrooms, gym, hallway, and fields.
- If a previously scheduled practice needs to be canceled, you are to communicate this as soon as possible to the Athletic Director and Office Manager. The Office Manager will ensure the Extended Care Director is informed of cancellations or changes to practice schedules.
- Additionally, all practices are closed to parents, fans, and students not on an in-season athletic team.

## **ROSTERS**

- All coaches must maintain, and have with them at all practices, games, and tournaments updated rosters (both home and away) with the following information:
  - Full first and last name (no nicknames)
  - Jersey Number (if applicable)
  - Athlete's Grade Level
  - Athlete's DOB
  - Athlete's Age
- Additionally, a copy of team rosters (both home and away) must be provided to the Athletic Director and the Office Manager prior to the first game of the season. Team rosters must also be provided to the Extended Care Director following the first mandatory practice of the season (to be done by the Office Manager).
