The successful candidate will be qualified to teach Algebra I, Algebra II, Geometry, Pre-Calculus & Statistics at the college prep and honors levels. Work is performed under the supervision of the principal.

DUTIES AND RESPONSIBILITIES:

- Plan and carry out dynamic lessons
- Plan for differentiation of curriculum to meet student needs
- Plan learning environment with a variety of learning styles in mind
- Model “The Warrior Honor Code”, emphasizing this conduct model in all areas at all times
- Sustain ongoing communication between parents and school
- Maintain accurate and up-to-date records for each student
- FACTS is to be maintained with up-to-date information.
- Support the mission and vision of the school’s learning philosophy
- Supervise an assistant when appropriate
- Attend required faculty meetings
- Maintain and follow daily routines and schedules
- Hold parent-teacher conferences as needed, at least twice a year
- Other duties may be assigned by the Administrator or Principal

QUALIFICATIONS:

- Must have at least a four-year degree, preferably in education and in the area to be taught.
- Ability to effectively teach Algebra 1, Geometry, Algebra 2, and Pre-calculus at the college prep and honors levels.
- Experience teaching AP Statistics as well as certification in 6-12 Mathematics is a plus, but not required.
- Teachers must have a thorough understanding of 21st century classroom practices and interdisciplinary connections.
- Spoken and written language skills must be strong and representative of an educated professional.
- Technology skills are required to both teach students in the classroom, as well as to maintain records and communications.
- Teachers must be able to articulate their faith and support the school’s Christian environment.
- Physically, the position requires sitting, walking, and standing.

To apply, submit your cover letter and resume to resume@lwcs.net.
